Dear Sulekha Mishra

Congratulations! We are delighted to inform you that following the review of your application and successful completion of the interview process, you have been selected for the internship program at Infinite Computer Solutions (India) Limited

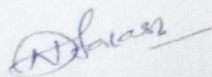

You are hereby requested to abide by the following guidelines:

- (a) Start Date of the Internship is on **March 27, 2025**.
- (b) You agree to comply with and adhere to the rules, policies, and regulations of the Organization as communicated to you from time to time. This includes, but is not limited to, maintaining professional conduct, respecting confidentiality, following workplace safety protocols, and upholding the organization's values and standards. Your adherence to these regulations is essential for fostering a positive and productive work environment and ensuring a successful internship experience
- (c) As part of your internship, you will be required to provide periodic updates on the progress of your assignments and submit a final report upon completion. We are confident that with your dedication and consistent efforts, you will successfully meet expectations and maximize this opportunity. Please note that failure to meet performance standards or maintain regular attendance may result in the termination of your internship
- (d) The internship will be conducted at our **Bangalore - Campus** location. You are expected to be present on-site during working hours, with a 9-hour workday (including a lunch break), 5 days a week. Your project guide will assist you in managing your time effectively, ensuring alignment with the organization's schedule and project requirements
- (e) You are required to adhere to the organization's work timings and any specific schedule set by your project guide, as deemed appropriate for the successful completion of your assignments.
- (f) This internship offers a valuable opportunity for professional growth. While it does not guarantee permanent employment, your performance will be evaluated throughout the program. Based on your contributions and progress, there is a significant opportunity to transition into a full-time role with Infinite. Successful interns will be considered for future openings.
- (g) Throughout your internship, you will have access to confidential and sensitive information regarding the company's operations. It is essential that you maintain the confidentiality of all such information, whether shared verbally, in writing, or digitally. You are strictly prohibited from sharing or disclosing this information to unauthorized parties. Furthermore, you are not allowed to remove any data, documents, or materials—whether physical or electronic—from the organization. This includes all proprietary content. Maintaining confidentiality is a critical responsibility of your role and plays a vital part in safeguarding the integrity of our operations

We wish you a good learning experience at Infinite.

Sincerely,

For Infinite Computer Solutions (India) Ltd,

Nitin Dipt Prakash
Vice President - Human Resources
